**PCAFA Opening Reception Silent Auction – July 6th, 2017
Regulations and Artist Agreement**

Silent Auction Regulations:

1. Participants must be current members of the PCAFA.
2. Each piece must be original art and/or fine craft designed and executed by the artist.
3. Works should be modest in scope (e.g. paintings should be no larger than 16x20 inches finished size).
4. We are considering the possibility of **four large pieces of art. It would be on a first come, first reviewed basis. If you are interested, please let us know via email.** E.G. A sculpture, a large painting 5'X 5', as examples. The first four will get consideration by the committee for the Opening Night. We ask the artist to help with proper hanging or display of work at Shining Waters on the morning of the Opening.
5. All other participants may enter up to three pieces. Jewellery is the exception. Up to five pieces of jewellery may be submitted.
6. Each work must be accompanied by a completed Artist Information Form (taped on the back). Artists are encouraged to attach a bio or business card on the back.
7. The artist will provide an estimated value (the normal retail value for the work) and a minimum bid (70-80% of the normal retail value).
8. The artist may offer an 'immediate takeaway' price at 10% above normal retail value. When a buyer opts to pay this price, bidding is terminated, and the buyer is guaranteed to acquire the item.
9. Bid increments will be chosen by the auction managers, relative to the retail value of each work.
10. Artists will receive 70% of the sale of each work. The PCAFA will receive 30% of the sale.
11. PCAFA will make every effort to display all work submitted but reserves the right to display and auction only one piece per artist if space limitations deem it necessary.
12. Every care will be taken in handling artworks. However, the PCAFA assumes no responsibility for loss or damage to any items delivered for, or displayed at, the Reception.
